

Domtek Building Products TWENTY YEAR LIMITED WARRANTY

Domtek Building Products (hereafter "Domtek") is a customer focused, technology driven group of companies focused on the building products industry. Domtek is committed to manufacturing the highest quality products and warrants these superior products for interior and exterior applications.

In this warranty, the following terms shall have the following meaning:

1. "Customer" shall mean the purchaser of Finished Products from Fabricator;
2. "Dark in Colour" shall mean, with respect to Extrusions, Extrusions that are dark in colour as defined in ASTM D 4726 with an L-value of 60 or lower, or as defined pursuant to such other reference standard consistent with then applicable industry standards as agreed to by Fabricator and Domtek;
3. "Extrusions" shall mean the rigid vinyl lineal extrusions manufactured and sold by Domtek to Fabricator
4. "Fabricator" shall mean the original purchaser of the Extrusions, purchased for the purpose of fabricating Finished Products therewith;
5. "Finished Products" shall mean products which incorporate the Extrusions and are fabricated by Fabricator in accordance with Domtek's recommendations, if any, and industry standards.
6. "Domtek" means Domtek Building Products and its successors and assigns.

Domtek warrants to Fabricator that for a period of twenty (20) years from the date of purchase of the Extrusions, subject to the terms and conditions herein contained, the Extrusions, as fabricated into Finished Products, will be free from manufacturing defects which result in rotting, cracking, warping, corroding, peeling, blistering or suffering non-uniform fading discoloration. Extrusions which are dark in color will be free of manufacturing defects specified above for a period of five (5) years from date of purchase.

Domtek produces certain extrusions with **UltraCap™ 100% Acrylic Capstock coatings**. Products extruded with **UltraCap™ Coatings** will be free of manufacturing defects specified above for a period of ten (10) years from date of purchase.

This warranty covers only manufacturing defects in material and workmanship of Domtek and, without limitation, does not include any failure, defects or damages attributable to, or arising from or connected with, the fabrication of the Extrusions into Finished Products, improper maintenance (including inadequate air circulation around Extrusions or Finished Products), improper venting of Extrusions or lack thereof to allow for atmospheric pressure equalization, harmful fumes, chemicals, primers, cleaners, paints, pesticides, solvents, stains, heat build-up, excessive temperature exposure, unusual heat sources including but not limited to barbeque grills, radiant heating devices, interior or external reflections from skylights, windows, window coverings, roofing materials, walls, pools, blacktops or concrete surfaces, or by the presence of thermal curtains, or storm windows or doors, color change arising due to normal weathering, oxidation, extremes of weather and environmental atmospheric conditions, accident, abuse, misuse, neglect, faulty or improper installation of Finished Products, atmospheric or airborne pollutants, staining or mildew, fire, flood, earthquakes, hurricanes, tornadoes, cyclones, gales, lightning, hail and Acts of God, accidental or intentional damage, vandalism and all other circumstances and causes beyond Domtek's control.

This warranty does not apply if the Extrusions are laminated, painted, or coated with any substance (other than with Domtek approved laminates or coatings applied in accordance with Domtek approved written instructions). Refer to the Laminate, Paint or Coating supplier for additional warranty coverage. This warranty does not apply if the Extrusions are used in windows or doors which are installed other than on a vertical plane.
